

Super Searchers Task Cards

Task 1: Keyword Search

Develop 5 different questions that you might want to search in Google.

Write them out and **circle** the keywords.

Super Searchers Task Cards

Task 2: Website Analysis

Select 2 of the science WEBSITES at the link I gave you.

Analyze both sites and write down the number and type of ads you find.

Super Searchers Task Cards

Task 3: A Google a Day

Go to www.agoogleaday.com.

Read the directions and begin to play the game. Write down your point total when you finish!

Super Searchers Task Cards

Task 4: Search Results Comparison

Use 2 different search engines to conduct a search of a topic. Use Bing and Google.

Write down the similarities and the differences in the search results.
